

SOUTHERN CALIFORNIA PARENTS OF ALIENATED CHILDREN'S NETWORK

FIRST ANNUAL CONFERENCE

Southern California Parental Alienation Workshop: A COMMUNITY RESPONDS

Saturday, November 13, 2010
California State University at Northridge

All day conference from 8am to 5pm includes keynote, small workshops, and book signing.
Time for networking and for learning the latest information regarding parental alienation.
Continental breakfast provided. Lunch on your own.

Parental alienation occurs when a child is turned against a parent, usually in the course of a divorce.
Parental alienation is considered a severe form of child emotional abuse
and causes excruciating emotional pain to the victim parent as well.
